Wakindiki, PhD, EBS, Vice Chancellor & CEO of KCA University and Director of the KCA University Foundation; and Mrs. Aruna Chandaria, Trustee of the Chandaria Foundation, display a signed MoA on the construction of the Chandaria Business Incubation and Innovation Centre.

KCA University, Chandaria Foundation Partner to Establish KES 20 Million Business Incubation and Innovation Centre

On 4th February 2026, KCA University and the Chandaria Foundation signed a Memorandum of Agreement (MoA) to establish the Chandaria Business Incubation and Innovation Centre (CBIIIC). The initiative, which was initiated by the KCA University Foundation, aims to promote entrepreneurship, innovation, and job creation among Kenyan youth.

Supported by a KES 20 million investment, the Centre will be located on the sixth floor of KCA University's KES 8 billion state-of-the-art Multi-Level Academic Building and will provide incubation programmes, mentorship, and access to funding and global networks. By fostering enterprise development and supporting start-ups, the CBIIIC is set to play a key role in addressing youth unemployment and driving sustainable economic growth in Kenya.

KCAU Foundation Forges A Strategic Partnership with Africa Development Centre (ADC)

A consultative meeting was held between the KCA University Foundation (KCAUF) and the Africa Development Centre (ADC) to explore opportunities for strategic collaboration. During the meeting, Mr. Nasibu Sareva, CEO of the Africa Development Centre (ADC) based in the United States, expressed commitment to facilitating introductions between KCAUF and key philanthropic and institutional partners, including the St. Thomas University Foundation and the Mortenson Family Foundation. The discussions focused on identifying areas of alignment in institutional capacity building, with a view to fostering long-term partnerships that support sustainable development initiatives in Kenya and beyond.

KCA University Strengthens Strategic Collaboration with Oklahoma State University

KCA University continues to advance its global engagement agenda following a high-level strategic meeting held on 24th March 2026 with leadership from Oklahoma State University (OSU Global). The meeting, facilitated by the KCA University Foundation, marked a significant step towards operationalizing the existing Memorandum of Understanding (MoU) between the two institutions and transitioning the partnership from framework to tangible, impact-driven initiatives. The partnership is expected to yield high-impact academic, research, and philanthropic outcomes, while opening new pathways for students, faculty, and institutional growth. The KCA University Foundation played a pivotal role in facilitating the engagement and will continue to drive partnership execution, strengthen global linkages, and enable opportunities for transformational impact.

Strategic Collaboration with Equity Bank Group and Equity Group Foundation

On 17th March 2026, KCA University leadership, led by the Vice Chancellor & CEO alongside the Executive Director of the KCAU Foundation, met with a delegation from Equity Group and Equity Group Foundation led by Hon. Kinoti Gatobu. The discussions focused on building a long-term partnership to drive innovation and community impact. Key areas of proposed collaboration include the development of a joint Innovation Academy, the expansion of AgriTech initiatives, and a reinforced commitment to scholarship pathways for vulnerable students. By aligning their strengths in education and social investment, both institutions are working toward a shared vision of sustainable growth and expanded access to quality professional training.

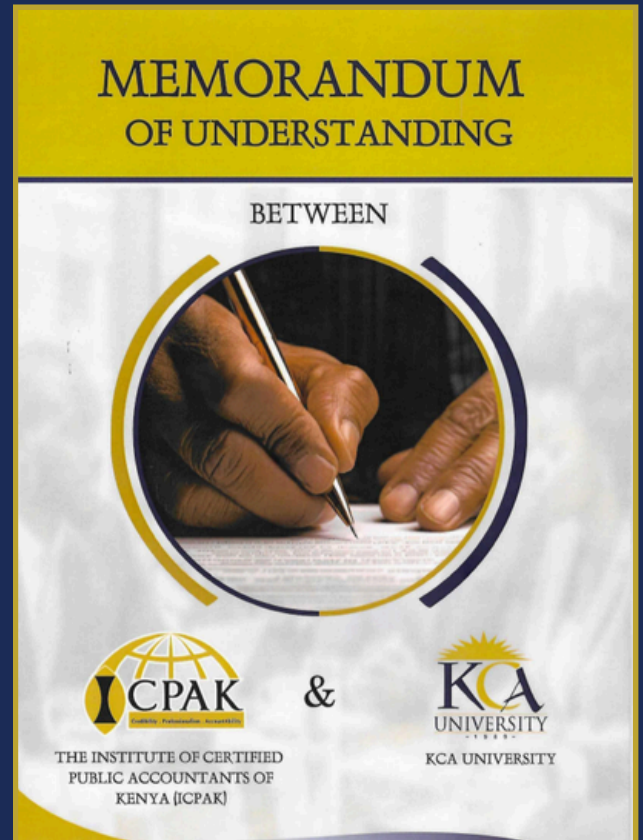

KCAUF-Tuendelele Foundation MoU Assessment

The KCAU Foundation hosted the Tuendelele Foundation team on 19th March 2026 for a joint assessment of the progress of the MoU signed on 8th May 2024. The implementation, which created a synergistic working collaboration where scholarship students are supported on a 50:50 basis, was found to be satisfactory, with two cohorts already awarded for the 2024/2025 and 2025/2026 academic years. An implementation committee of four, comprising Duncan Ouma and Edwin Wangamwa from KCA University and Gaha Namodi and Ms. Modestus from Tuendelele Foundation, continues to provide oversight and coordination of the partnership.

Advancing Accountancy: KCA University and Institute of Certified Public Accountants (ICPAK, Formalize Transformative Partnership

On 1st February 2026, KCA University and the Institute of Certified Public Accountants (ICPAK, signed a Memorandum of Understanding to advance collaboration in the accountancy field. The partnership will promote research, innovation, and data access, while strengthening industry academia linkages and alumni engagement. Key initiatives include joint conferences and seminars, the launch of an accountancy research journal, an apprenticeship programme for CPA graduates, and national accounting competitions. The collaboration will also support programmes such as Research and Innovation Week, the Trainee Accountant Practical Experience Framework (TAPEF), and the annual Founders Day championed by the KCA University Foundation, driving shared growth and impact across both institutions.

2026-2030 Strategic Plan Review Update

The 2026–2030 Strategic Plan has advanced into a critical co-creation phase, driven by robust engagement with governance teams and strategic partners. With 85% of targeted respondents already reached, stakeholder insights are currently undergoing advanced analytics to generate high-quality, data-driven intelligence. This inclusive process ensures an evidence based, future-ready framework that is adaptive, innovative, and aligned with both emerging global trends and institutional ambitions.

Structured Collaboration Between KCAU Foundation and Ndakala Advisory

On 23rd February 2026, leadership from KCA University Foundation and Ndakala Advisory convened to solidify their strategic partnership. The discussions focused on establishing a formal framework for collaboration, with a primary emphasis on developing sustainable fundraising models and leveraging expansive professional networks. Key objectives included enhancing institutional growth and creating structured mentorship pipelines to bridge the gap between academic learning and industry expertise.

KCA University Foundation — Fundraising & Donations App

The KCA University Foundation is at an advanced stage of developing a dedicated fundraising and donations application, uniquely designed and built by Joshua Onyango, a final-year IT student and one of our scholarship beneficiaries. This platform is engineered to serve as a comprehensive digital hub for supporters, featuring both a mobile-first app and a web-based system to enhance the efficiency, accountability, and accessibility of the Foundation's initiatives.

Through this interface, donors can easily navigate and support specific campaigns, while making recurring contributions through both local and international payment channels. To ensure full transparency, the system allows users to track the direct impact of their giving in real-time and provides automated receipts for every transaction.

VC & CEO Cycling Tour - 4th Edition

Planning is officially underway for the 4th Edition of the annual VC & CEO Cycling Tour, themed the "Nairobi Circuit." To ensure the success of this flagship event, Vice-Chancellor Prof. Isaiah Wakindiki has appointed a 19-member committee tasked with its planning and execution.

Chaired by Prof. Damiannah Kieti (DVC–Finance, Planning, and Development), the committee operates under clear terms of reference and strict reporting timelines to guarantee a world-class experience. The committee includes members from all over the University, bringing together expertise from the Foundation Secretariat, faculty, security, procurement, and marketing, alongside representatives from student affairs and student leadership. This diverse collaboration ensures that every aspect of the event is managed with excellence.

STAFF SPOTLIGHT | WELCOME ON BOARD

The KCA University Foundation is pleased to welcome Gloria Gitonga as its Social Media & Communications Intern. She joins the Foundation at a time when strategic communication and digital engagement are central to enhancing visibility, strengthening partnerships, and expanding impact. Her energy, creativity, and background in communication and public relations are expected to play a key role in refining the Foundation's storytelling and stakeholder engagement.

As the Foundation continues to position itself within local and global partnership ecosystems, her contribution will be instrumental in amplifying the Foundation's voice, showcasing impact, and supporting the broader engagement agenda. The Foundation Board and Management warmly welcome Gloria to the team and wish her a fulfilling and impactful journey.

Gloria Gitonga
Social Media & Communications Intern

HOW KCAU FOUNDATION SCHOLARSHIP TRANSFORMED MY LIFE

I grew up in Baringo County, where getting an education was a constant struggle. Because of money problems and a lack of resources, I never knew if I would actually be able to stay in school or finish my studies.

Everything changed when I earned a scholarship. It gave me the stability I desperately needed and finally allowed me to focus on my classes instead of worrying about how to pay for them. Before that, school was full of uncertainty, but the scholarship took that weight off my shoulders.

This support is doing more than just helping me graduate; it is building the foundation for my entire career. By giving me a real chance to succeed, it has put me on a path that will change my life long after I finish my education.

LESSO LOWASO DENNIS- BCOM

I am a third-year ICT student at KCA University, raised in a humble family of ten in Western Kenya, where financial challenges nearly cut short my dreams after high school. With limited resources and no clear path forward, pursuing higher education felt out of reach.

I took a bold step and came to KCA University with hope, and through the KCAU Foundation, I was awarded a 90% tuition scholarship. This opportunity has allowed me to continue my studies, build resilience, and grow with purpose.

Today, I am pursuing my dreams with confidence and a strong desire to uplift others, just like I was uplifted.

MUSAH ANNE SANDE- BSCIT
